

## Chalet Le Moulin Chamonix, France

### What we love...

The stunning balcony overlooking Mont Blanc – ideal for morning lattes or nightcaps.

With the vibe and good looks of a London private members club, this luxury ski chalet in Chamonix offers views of iconic Mont Blanc. Juxtaposing rustic Alpine chic with high tech features, Le Moulin is the perfect blend of old and new.

Timber framing, neutral tones and incredible mountain views complete the impressive picture. As the name suggests, this former mill has been transformed with the utmost care by local artisans, right down to the antler inspired light fittings.

With seven bedrooms and several social areas arranged over three floors, it's perfect for larger groups. Luxe Nordic style blankets and a roaring open fire create a cosy ambience.

The spacious balcony located off the well-equipped kitchen is a wonderful spot for a glass of vin chaud. Just grab a blanket and hunker down in one of the cosy chairs.

After dinner steal away to the snug, with its TV and selection of games, or to the impressive private entertainment room with bar and home cinema system. If you prefer your relaxation with a few more bubbles, the outdoor hot tub on the sun deck is just the spot, and there's also a sauna and massage room indoors to enjoy.

Wine buffs will relish Le Moulin's wine cellar showcasing the best of the region's offerings. Finally, retire to your luxury en-suite bedroom and enjoy a peaceful rest to set you up for another beautiful day on the mountains.

This luxury ski chalet with hot tub and garden is also available during the summer months – the ideal time to enjoy sun dappled mountain walks and bike rides.
