

Chalet Montfort St. Anton, Austria

What we love...

We love that there is room for everyone to enjoy, from the private bar to the sauna to the TV snug. You'll never feel on top of each other.

The luxurious Chalet Montfort really is the business, for large groups or corporate ski trips in St. Anton. Sleeping 20 people in 10 en-suite bedrooms this stylish luxury ski chalet has a huge 80sqm 32 seater dining room to host quite the dinner party, or can even be swiftly transformed into a conference room.

You will all be able to make the most of the airy space and regale the group with tales of your mountainous escapades over a hearty 4 course dinner, and toast with wines expertly selected by a local sommelier.

But it's not just the fabulous chalet itself which makes it perfect for groups. This luxury ski chalet is located just moments from St. Anton's bustling village centre, with its abundance of bars, restaurants and shops, and less than a 5 minute stroll to the piste, giving it one of the most envious locations in resort.

Guests who have indulged in too much action on (or off) the slopes, can test out the chalet's Swedish sauna, book a beauty therapist to knead out the knots in the massage room, or head to the private bar and enjoy a deftly mixed cocktail by the attentive staff.

Eating

Chalet Montfort is experienced at having large families or corporate groups to stay, with a team of staff all set to make your stay seamless and ensure you don't have to lift a finger.

Appetising breakfasts will set you up for a day on the slopes, and those who don't get caught up by St. Anton's infamous piste-side bars can refuel with home made afternoon tea of cakes, breads and of course an après ski drink from the chalet's open bar, stocked high with beers, wines and bubbles, house spirits and soft drinks.

Tantalising canapés precede 4 courses of expertly prepared food, from locally sourced ingredients and traditional recipes. Dinner is further enhanced by specially chosen wines to complement each meal.

Any dietary requirements will be taken into account before your arrival, with the chef offering delicious alternatives catered to any special requests.

You'll have two evenings a week to sample the local restaurants of St. Anton and your chalet hosts will be more than happy to make recommendations and bookings.

Chalet Montfort

Kids

Chalet Montfort's huge lounge is an asset to groups with children. The kids can safely be ensconced at the home cinema end, with a 42inch TV, DVD player and Nintendo Wii to keep them amused for hours, whilst the adults can amass at the other end near the private bar. With the lounge taking up the length of the entire chalet, adults can catch some much needed respite from the excitable youngsters.

Your concierge service can arrange English speaking nannies and of course children's meals or early mealtimes can be arranged for any tiny tummies. Or for those teens too cool to sit with the adults, the dining area has two large tables if they want to discuss the tricks they want to try in the park without giving mum a heart attack.

Location

Chalet Montfort is located in the heart of St. Anton, with the town centre on your doorstep and the ski lifts just a 5 minute walk away.
