

Chalet Ô Valala Val d'Isere, France

What we love...

We love the spa area, with indoor swimming pool, loungers, Hammam and massage room.

Contemporary style in a traditional setting. Chalet Ô Valala is brand new for 2018/19 season, offering the perfect combination of old and new.

The property is nestled in the quiet and exclusive enclave of Le Cret, just outside Val d'Isere, giving you easy access to all of d'Isere's famous nightlife, but also a bolthole to escape to for some peace and quiet whenever you wish. Inspired by Valhalla, the eternal resting place of the Norse Gods, this luxury ski chalet in Val d'Isere has been designed with total rest and relaxation in mind.

A spa, with indoor swimming pool, hammam and massage room gives you a place to unwind after an energetic morning on the slopes. There's also an outdoor Jacuzzi to seat seven; the perfect spot to escape to with a glass of bubbly and a group of friends to ease away any aches and pains from your skiing day.

The three-storey luxury ski chalet has six bedrooms, each with a private bathroom. So everyone has their own space to hide away in if they wish - and a place to retreat to at the end of a busy day.

In the afternoons, grown-ups might like to escape to their rooms for a nap or just to unwind and read a book. There's a spa and also a cinema room, as well as a TV and games console where kids and big kids alike can while away a few hours in the warm while the snow falls outside.

In the evenings, your chef will provide a gourmet meal for you all in the intimate dining area. Gather round the fire after and enjoy a nightcap as your meal goes down. There's no rush to go anywhere here. After a relaxing dinner you can simply kick back and enjoy the evening.

For avid snow bunnies, there is so much to enjoy at Chalet Ô Valala. As well as all that Val d'Isere and surrounds have to offer, Tignes is also close by, giving you 300km of pistes to explore during your stay.
