

Chalet Petit Ours Verbier, Switzerland

What we love...

The balcony's sunken hot tub, with jaw dropping views across snow topped peaks. Grab a glass of bubbly and drink it all in.

Combining classic Alpine chic with show stopping views, this luxury ski chalet with hot tub is a quintessential mountain retreat. Located in Verbier's exclusive Savoleyres area, Chalet Petit Ours offers privacy and tranquillity.

Yet this freestanding timber chalet is mere minutes, by chauffeur driven car, from various ski lifts. It's also ideally placed for exploring the bars and restaurants of the nearby Place Centrale – ideal for a spot of après ski.

Then again, when you're not snowbound, you may well choose to simply hunker down in your own private luxury ski chalet. There's everything you need here for an impeccable stay.

You'll arrive at the chalet through the ski room, which offers handy heated boot warmers and plenty of all-important ski storage space. There's a private laundry room too.

Upstairs, on the first floor, the cosy TV room beckons. Squishy seats and an open fire are just the ticket after

you've spent all day hurtling down black runs.

Climb the stairs to the second floor and you'll find the main living area and dining room. Oak flooring, cool neutrals and luxe fabrics create a serene atmosphere.

Double height vaulted ceilings and large sliding glass doors flood the space with mountain light. The impressive dining table seats 10 and there are sliding doors connecting it to the well-equipped kitchen. On this floor, you'll also find the balcony with sunken hot tub. With panoramic views of the Grand and Petit Combin and Mount Blanc Massif, it's a showstopper, to say the least. There's also a private spa with hammam and steam room. Treatments can be arranged on request.

Every bedroom at Chalet Petit Ours has been painstakingly designed with individual, striking colour schemes. With luxury en-suite bathrooms or shower rooms in every suite, turning in each night will never be a chore.
