

Chalet Serendipity Meribel Village, France

What we love...

We love the south-facing sun terrace with swim spa, sauna, games area and bar.

Looking for the perfect luxury ski chalet in Meribel Village? You might need a touch of Serendipity.

Chalet Serendipity is a beautifully appointed property in the charming Meribel Village, which offers not only a fabulous location close to some of the area's best skiing, but also a fabulous chalet that you'll find it hard to drag yourself away from each day.

The interior is designed in stylish and contemporary Savoyard style. At its heart is the spacious lounge with a wonderful floor-to-ceiling fireplace - the perfect spot to gather with friends at the end of the skiing day and catch up over a glass or three of bubbly and delicious canapés.

Nearby, the dining room has lovely south-facing views and makes a relaxing backdrop to the gourmet meals you'll enjoy. Doors from the dining space lead out onto the terrace - arguably the jewel in the crown of this property. Here you'll find an outdoor swim-spa, sauna, games area and a bar, where you can relax all afternoon or perhaps take a nightcap out to enjoy under the stars.

At the end of each packed day, you'll be very pleased to retreat to your spacious bedrooms, each of which is filled with luxe duvets and pillows, spa-style bathrooms and everything you could wish for to create a peaceful haven for sleep. Enjoy your sweet dreams - the mountains will be calling you from your balcony in the morning.

Eating

Bespoke service is what you get at Chalet Serendipity. Your talented chef will work together with you to ensure that every meal is a treat to look forward to.

Every day begins with freshly brewed coffee, just-made croissants and bread, and your favourite a la carte breakfast treats. Skiing is a high energy sport, so by the time you get back to the chalet in the afternoon you will need a snack to keep you going through until dinner. Afternoon cakes, mulled wine, tea and coffee await your return, and if you have children in your group, the chef will be happy to cook them an early supper of their favourite foods.

On five evenings of the week, your dedicated chef will serve up a wonderful feast, starting with canapés and champagne, followed by four courses of culinary delights. You'll have two evenings a week to sample the local restaurants of Meribel and your chalet hosts will be more than happy to make recommendations and bookings.

To accompany all these mouth-watering meals, your chalet hosts will serve a selection of fine wines, and there is an open bar stocked with beers, spirits and soft drinks.

Chalet Serendipity

Kids

There's so much for children to do in this well-appointed luxury ski chalet. They're sure to love the sunny terrace with pool and games area. In the evenings, while the grown-ups enjoy canapés around the fire, they might like to get cosy in the cinema room in front of a movie.

Dedicated kids' menus, designed by your private chef, ensure even the smallest guests feel made a fuss of here and any birthdays or other special events can be marked with a tea party - lashings of cake a given.

A fully equipped ski-room, laundry room and private parking all ensure parents' lives are made as easy as possible here. Whether they're in ski school, having fun with one of the chalet's nannies or just relaxing with you, you'll always know they are well looked after and having a ball.
