

Victoria 111 Verbier, Switzerland

What we love...

We love the easy access to the hammam, spa, pool and children's games room. It is a real bonus to what is already a fantastic apartment.

It's all on your doorstep here. Victoria 111 is one of the apartments in the luxurious Victoria and Valentine complex, located just a short distance from the centre of beautiful Verbier.

You'll enjoy shared access to the complex's exclusive indoor swimming pool, Hammam, spa, gym and sauna. There's also a children's games room to keep little ones busy, too.

Victoria 111 is a stylish self-catered apartment, sleeping eight guests in four bedrooms. Faux fur throws, oversized cushions and layers of blankets make you want to sink

into the beds every time you pass one, while slate bathrooms with complimentary luxury beauty products provide the perfect place to enjoy a chilled-out soak.

In the main living spaces, wood cladding and white walls are teamed with contemporary furniture and antler-themed objets d'arts for a 'modern country' feel. A Bose sound system and televisions throughout make for the perfect finishing touches.

Victoria 111 has all the stunning features you'd expect of a top hotel, but with the convenience and space of your own apartment.
