What we love...

We love the open plan living area, the perfect environment for family and friends to relive the events of the day in front of the roaring fire.

With staggering views down the valley, the brand new Chalet d'Espoir offers a lot more than a little hope. Sleeping up to 12 guests across six individually designed en-suite bedrooms, this charming home from home has everything you have been looking for in your luxury ski chalet in Morzine.

A glorious first floor, open plan living and dining area keeps your group together whilst they relay stories of the day zipping around the mountains. The adjoining modern kitchen blends in seamlessly to the scene and keeps you in touch with your hosts whilst your own personal chef rustles up fine bespoke cuisine during your stay.

The south facing views down the Morzine valley are stunning and there's nowhere better to enjoy

this than in the bubbling hot tub outside on the wrap around terrace. With a glass of bubbly brought to you by your professional staff in hand, every minute you've worked in the past year will come down to these wondrous moments at Chalet d'Espoir.

A subtle blend of traditional carpentry and ancient stonework couples elegantly with a modern twist keeping the feel fresh throughout this luxury chalet.

Throw in a cosy cinema room and a personal therapy room with discreet hosts on hand to make you feel at home, your first stay at Chalet d'Espoir will not be your last.
