

Christiania Apartment 7 Zermatt, Switzerland

What we love...

We love the prime location of this luxury ski apartment, just 500m from the Matterhorn Glacier Paradise cable car and close to the centre of Zermatt.

Simple, contemporary and stylish, Christiania Apartment 7 is everything you need from a luxury ski holiday in Zermatt, with lots of wonderful extras thrown in. Perched right on the edge of the town's main ski area, this luxury apartment forms part of the Christiania Residence with seven other properties and is perfectly placed to take full advantage of all that is on offer here.

The residence has a well-equipped ski room with boot warmers, so you can be out on the slopes in no time each morning. It's also a mere hop, skip and jump from Zermatt's shops, bars and restaurants.

The apartment itself is beautifully equipped with all you could need for a relaxing luxury ski holiday. The communal areas are what really makes it, with floor-to-ceiling windows allowing light to flood into the living spaces from the south-facing balcony which has views of the Matterhorn. Whether you're

curled up with a book in front of the wood-burning fireplace, or gathered with friends around the intimate dining table, while the chef prepares a spectacular four-course meal for you all, an atmosphere of conviviality and warmth pervades.

Each of the luxury bedrooms is decked out beautifully and has a TV and a spa-style bathroom, giving every guest space to relax and find some peace and quiet on their luxury ski holiday.

If, after a day on the slopes, you fancy an hour or two of serious pampering time you can always take advantage of the shared gym and massage room on the ground floor of the building.

And should you require any further relaxation, simply wander out onto this luxury ski chalet's south-facing balcony with a glass of bubbly and gaze out at the Matterhorn – a view that simply eclipses all other thoughts.

Each day begins with a luxury continental breakfast to set you up for a day on Zermatt's slopes.

Children are treated to an early supper designed to appeal to younger palates. Later on, adults will gather for a gourmet four-course dinner including a locally inspired cheeseboard, all accompanied by hand-selected wines.

The wine list is extensive but if you have any particular requirements, your host will be happy to get any specific bottles in at additional cost.

Staff have two evenings, leaving you free to explore the restaurants and bars of Zermatt, just a stone's throw away. Your chalet host will be happy to make recommendations or book tables for you.

When taken on a fully catered basis, the chef works in the professional kitchen and your dedicated host serves you in the privacy of your own apartment. The apartment can also be taken on a self-catered or bed & breakfast basis, giving you the flexibility to set your own schedule on your luxury ski holiday.
