

Grand Pré 4 Val d'Isere, France

What we love...

We love the wonderful shared spa facilities including an indoor swimming pool and sauna.

Brand new for the 2020 winter season, Grand Pré 4 has been designed with only the greatest of care and attention to detail. From the rich fabrics and exquisite furnishings combined with outstanding views and superb shared wellness facilities, this split-level penthouse apartment has everything you need for a luxury self-catered ski holiday in Val D'Isere.

Nestled in the La Legettaz area of this renowned resort, you can ski right to the door. Once you've abandoned your ski gear in the boot room, step inside the welcoming living area and gather in front of the fire or out on the terrace with its wonderful views of the La Face piste.

The open-plan living room has a stylish wood-burning fireplace, double-height ceilings and a modern L-shaped sofa gathered around it strewn with comfy throws and cushions. The modern-rustic feel continues into the spacious dining area, where a contemporary dining table makes for the perfect spot to relax over a long, leisurely meal with friends and family.

Guests of Grand Pré 4 also have access to a fabulous shared swimming pool and sauna, ideal for unwinding and soothing aching muscles after a day on the slopes.

At the end of the evening, after a nightcap on the balcony, retire to uber-cosy bedrooms, designed with only your comfort in mind for a peaceful night's sleep, ready to make the most of everything Val d'Isere has to offer in the morning.
