

Villa Ocean Anguilla, Caribbean

What we love...

We love the awesome entertainment facilities here. With gym, cinema and games room, all equipped to the very highest standards, there's something to keep every member of your party entertained on this luxury villa holiday.

So much more than simply a luxury villa in the Caribbean, this award-winning property in Anguilla is real pinch-yourself stuff.

Nestled right on the white sand on the beautiful Meads Bay, with spectacular ocean views, you would be hard-pressed to find a more fabulous location.

A huge infinity swimming pool is the focal point of the outside space, surrounded by loungers and spots to relax in the sun. You're encouraged to enjoy all the beach has to offer – just ask your butler to set up a game of beach volleyball or football and get everyone down on the sand for a few games.

Whether you're wandering the landscaped gardens enjoying a little peace and quiet or taking a dip in the swimming pool, that wonderful sea view follows you everywhere.

Once inside, the luxury villa is an ideal combination of exclusive five-star hotel and relaxed Caribbean bolthole.

The highlight of this property must be the amazing double-height living and entertaining space, which has

superb sea views from the comfy sofas, making it the perfect place for you and the rest of your party to gather in the evening.

The property would be ideal for a party, or simply as somewhere for a group of friends and family to relax in each other's company.

It's clear that an enormous amount of thought and care has gone into making this luxury villa in Anguilla somewhere that every member of a large party is catered for. A cinema room provides a brilliant venue for a movie night, with additional entertaining space at the back and drinks and popcorn provided by staff; for fitness fanatics there's a fantastically well-appointed gym; a games room packed with sports tables and board games gives kids (and big kids, too) somewhere to chill out; and if required, there's an office for those who need to keep up with work (though do drop into the bar first and take a drink with you, of course!).

This luxury villa in Anguilla has been described as 'paradise in paradise'. It's no exaggeration to say that a break at Villa Ocean is a holiday that will stay with you for a lifetime.
