

## Villa Water's Edge St. Tropez, France

### What we love...

We love the breath-taking infinity pool, with sea views.

If you want the feeling of being at one with the sea you won't get much closer to it than at Villa Water's Edge. This fabulous property, enclosed in an exclusive private development, has direct access to the water so you're only ever moments away from diving into refreshing turquoise waters.

Inside this luxury villa in St. Tropez, it's clear that every effort that been made to ensure every fixture and fitting is as beautiful as it can be. Rich, parquet floors, beautiful natural marble and stone used throughout and designer furniture pieces make you feel utterly spoiled at all times.

Each of the bedrooms is beautifully designed and has its own luxury bathroom. Some have sea views from the bed itself, others have pretty sitting areas and one is in a standalone apartment all of its own. There's room for everyone to find their own space to 'just be' at this luxury villa.

Glimpsed from several of the bedrooms and bathrooms is the twinkling azure water – a constant reminder of your superb location. But the main living areas really make the most of it. The huge, open-plan spaces allow you a wide vista, so you can take in 180-degree views from the living area and indoor-outdoor seating spots. Whether you're relaxing with a good book and a cocktail or sitting down with the rest of your party to a gourmet meal on the covered terraces, that sea view is like a VIP guest, always there, just sparkling – a talking point at any time of day.

For quieter moments on your luxury holiday, you'll make the most of your time at Villa Water's Edge around the fabulous infinity swimming pool with lush surrounding gardens.

Everything has been thought of here and staff are on hand to take care of your every whim, so your only job is to kick back, relax and enjoy St. Tropez life to the full.
