

Apartment Montfleury Val d'Isere, France

What we love...

We love the fabulous central location and being right on the snow-front allowing guests to ski right up to the front door.

Apartment Montfleury is a real head-in-the-clouds luxury property, perched on the top floor of the exclusive Mademoiselle building, part of Les Airelles hotel in Val d'Isere.

As guests of Mademoiselle, you'll be able to visit its private cinema, use its kids' club and boutique ski shop, as well as the on-site Guerlain spa. The spa comprises a 20-metre indoor swimming pool, Jacuzzi, sauna, Hammam, fitness studio, juice bar and treatment area where you can be pampered and pummelled to a state of peaceful wellbeing.

Gourmands will be in seventh heaven here, enjoying Mademoiselle's three fabulous restaurants and bar, and there is also, of course, plenty in the way of food and drink to enjoy in Val d'Isere itself.

The fun doesn't stop there, though. For those who appreciate a bit of adventure with their relaxation, the hotel staff will be happy to arrange activities for you including ice-climbing, dog-sledding and helicopter rides.

But if you're a bit of a homebody and just want to enjoy the comforts of a luxury ski holiday, Apartment Montfleury will tick all your boxes.

The property is decorated in an understated Renaissance style, in homage to the building's medieval heritage. Warm woods on the walls and sumptuous furnishings in the cosy living and dining areas set a sophisticated but restful tone. Whether gathered around that intimate dining table or relaxing on the sofas in front of the roaring fire, you'll feel perfectly at home here. Your butler is always on hand to ensure everything is to your liking and you never need lift a finger.

At the end of the evening take your drinks out onto the balconies and take in the magnificent views of the Solaise mountain, which simply has to be seen to be believed. Then retire to super-comfy beds and luxury en-suite bathrooms. We guarantee you'll sleep soundly here at Apartment Montfleury, and wake ready for the next adventure in the morning.

Eating

Each morning, head down to the restaurant for a breakfast buffet to fuel you thoroughly for a morning on Val d'Isere's slopes.

Mademoiselle boasts three restaurants. For breakfast and lunch, we love JOIA, a simply stunning concept restaurant for brunch or lunch, or visit La Terrasse in the middle of the day, to enjoy the best of the fresh air and views. In the evenings, don't miss out on the traditional Savoyard dishes served at Le Carnotzet, after a couple of drinks in Mademoiselle's bar.

If you prefer, your butler can arrange for room service to be delivered to you, or assist with booking the best restaurant tables in the area.

We love both La Grande Ourse, next door to Mademoiselle, and the two-Michelin-starred L'Atelier Edmond.

Kids

Children are made very welcome at Apartment Montfleury and there's plenty to keep kids of all ages busy.

For younger ones, The Children's Kingdom club, designed in Merlin-the-Wizard style, with immersive murals of giant mushrooms and fairytale castles, is always a hit. They can play with age-appropriate games consoles, arcade games and wooden toys as they make new friends. Older ones might like to take part in the range of workshops on offer from art to cookery and much more.

If they want a quiet afternoon, the hotel cinema is the ideal spot for them to relax and regain their energy in front of a movie with popcorn.

The jewel in crown for kids though, must be the magical kids' swimming pool, modelled on the Lascaux caves and designed by one of the Harry Potter set designers.

Teens and tweens will love being able to visit the spa for specially designed treatments for young people, such as the four new experiences for 6-12 year olds, including the Winter Bonding treatment which they can enjoy alongside their parents.

Location

Apartment Montfleury is part of Les Airelles' Mademoiselle hotel, the only five-star hotel in the area that allows guests to ski right up to the front door.
