

Apartment Montmayeur Val d'Isere, France

What we love...

We love the magnificent Guerlain spa on site, which offers something special for everyone.

Feel like monarch of all you survey in this stunning penthouse apartment in Val d'Isere. Montmayeur is a luxury ski chalet perched on the top floor of the ultra-exclusive Mademoiselle building, part of the Airelles hotel complex.

As a guest of Mademoiselle, you'll have access to the cinema room, kids' club and boutique ski shop, as well as the on-site Guerlain spa, the perfect place to unwind on afternoons post-skiing. Indulge in relaxing spa treatments, take a few laps of the swimming pool, work up a sweat in the fitness studio or simply chill out in the juice bar with the papers.

If you like a little extra adventure with your holiday, the hotel staff will be happy to arrange activities for you including ice-climbing, dog-sledding and helicopter rides.

There are also three fabulous restaurants and a bar to experience at Mademoiselle, so on nights when you don't feel like exploring Val d'Isere you can let the party come to you.

But the jewel in Mademoiselle's crown is, without a doubt, the delightful Apartment Montmayeur.

Renaissance style, a nod to the building's medieval heritage, pervades here in the rich woods and fine furnishings in the cosy dining room and sophisticated but welcoming living room. Both provide a wonderful place to relax with the rest of your party in the afternoons or evenings, catching up on everyone's news from the slopes while the impressive open fire roars gently in the background.

We recommend taking your evening drinks out onto the spacious balcony, which has views of the mountains and is so close to the Bellevarde slope you feel you could almost touch the skiers as they whizz past.

A butler is always on hand to ensure you have everything you need, topping up drinks at just the right time, plumping pillows, bringing snacks to your side and making any bookings you require.

At the end of a packed day, fall into oh-so-comfy beds in the four luxury bedrooms, each with its own en-suites. Feel any aches and pains from the slopes fade away as you get ready for bed - and for another magical day at Apartment Montmayeur.

Eating

Each morning, you're invited to a buffet breakfast in one of the restaurants, which is included in your stay, and should set you up for a morning on the slopes.

Mademoiselle has several eateries, all of which are an absolute delight. For breakfast and lunch, we love JOIA, a concept restaurant that is beautiful but informally comfortable, or La Terrasse, from where you can enjoy the best of the fresh air and views. In the evenings, don't miss out on the traditional Savoyard dishes served at Le Carnotzet.

And while you're deciding on food for the evening, why not sit in Mademoiselle's cosy wood clad bar with a drink or two?

Your butler can arrange for room service to be delivered to you if needed, or assist with booking the best restaurant tables in the area.

Apartment Montmayeur

Kids

Children are included in every part of their stay, with all sorts of services that surpass even the most family-friendly luxury ski hotels.

The Children's Kingdom club is fabulously kitted out in Merlin-the-Wizard style, with immersive murals of giant mushrooms and fairytale castles, and a space packed with age-appropriate games consoles, arcade games and toys. Open all day, the club has no age restrictions and kids can take part in a range of workshops from art to cookery and much more. There's also a kids' swimming pool, modelled on the Lascaux caves and designed by one of the Harry Potter set designers; it really couldn't be any more magical.

The shared cinema is the ideal place for kids to chill out after a morning at ski school.
