

Chalet Izoard Megeve

What we love...

We love the private spa, with everything you could wish for to pamper and relax you; swimming pool, sauna, steam bath and treatment room.

A peaceful retreat with a modern rustic feel, this luxury ski chalet in Megeve makes for a beautiful bolthole for a large group.

Nestled in the upmarket Mont d'Arbois area, just outside Megeve itself, Chalet Izoard has a real sense of peace and intimacy, with stunning views of the peaks of Mont d'Arbois and Mont Joux. Ski-wise, it's a great location for a big group holiday as there are runs to suit all levels of skier nearby. And there's plenty to do for those who are here for the après more than the ski, too.

The chalet itself is spacious and airy, offering more than 1,000 square metres of space, spread over five floors. Each of the bedrooms, including a children's dormitory, is beautifully designed with super-comfy beds and lots of thoughtful extras to ensure your comfort is always a priority. The master suite up in the roof has its own balcony, and study space, giving its occupants a private space to escape to with wonderful views.

A modern rustic feel pervades throughout, with rich woods, neutral colours and plenty of textured fabrics, from slubby sofas to stacks of faux fur throws to snuggle up to and cuddle under on

snowy afternoons. Whether you're gathered around the intimate dining table together enjoying fabulous foods and fine wines from the chalet's own cellar, or sprawling on the sofas in front of the roaring fire, catching up on all the day's events, there's always a warm and welcoming atmosphere here.

And that feeling of cosiness and being cosseted extends to your wellbeing, too. Chalet Izoard has a private spa and wellness area, with a huge indoor swimming pool with adjustable depth, as well as a sauna, Hammam and massage room. So whether you want to keep fit while you're away or simply sit and enjoy the very bones of you being warmed in a sauna, or having every muscle in your body massaged into submission, a few hours here are sure to be a treat for both body and soul. The chalet also boasts an additional outdoor swimming pool which is available during the summer months.

On cosy evenings in, you might like to make the most of the entertainment rooms, or simply sit by the fire, or wander out onto the balconies to take in the amazing mountain views. Chalet Izoard is a truly magical retreat that you'll remember forever.

Eating

A private chef will ensure every meal is one to look forward to and that you are always well fed throughout your stay at Chalet Izoard.

Each morning, you’ll wake up to the wonderful aromas of breakfast to set you up nicely for a day’s skiing. When you’re home, afternoon tea is laid out ready with freshly baked treats to restore your energies when you return from the slopes.

In the evenings, gather round the fire with your friends for pre-dinner drinks as you catch up on what you’ve all been up to during the day and your chef puts the finishing touches to your evening meal. Please note that cost of food and drinks will be charged for separately, allowing the chef to tailor menus to your exact requirements.

Any personal likes, dislikes and dietary requirements can be taken into account and early children’s tea can also be arranged for families so that children don’t have to be on best behaviour at the dinner table and adults can enjoy a more leisurely meal post bedtime.

You’ll have one evening to sample the local restaurants of Megeve on staff’s day off and your chalet host will be more than happy to make recommendations and bookings.
