

## Hahnenkamm Lodge

Kitzbuhel, Austria

### What we love...

We love the uber-cool lodge bar, with its cow hide seats where you can sit and sip cocktails, mocktails and whatever your usual tippie is. The best après in Kitzbuhel.

The very best in high-end gadgetry, combined with a super-stylish look makes Hahnenkamm Lodge a real treat to stay in.

The contemporary interiors of Hahnenkamm Lodge, sleek seating areas with a hint of 1930s glamour, open-plan living spaces with chairs gathered round a fire, and a kitchen with state-of-the-art equipment, combine to make this a really special space to stay. And an extra dollop of cosy makes it somewhere you're glad to come back to each day after a morning on Kitzbuhel's wonderful slopes.

What sets this apart from other luxury ski chalets is the collection of simply stunning suites. A stay in any of them is like having your own private hotel room within a private luxury villa, so it's great for large groups because everyone can enjoy

plenty of their own space as well as making the most of communal spaces for eating, relaxing and entertaining.

A fabulous spa area offers a steam bath with fragrances, Finnish pine sauna, fitness rooms and relaxation area with fresh fruit and hot drinks on offer alongside comfy loungers. If you've overdone the skiing that morning, you will be feeling fully restored after an afternoon in the spa.

Located just metres from the start of the Hahnenkamm Race and with ski-in/ski-out potential, this is a luxury ski chalet that is as well located as it is well-appointed. Plenty of experienced staff and little luxury additions mean everything is taken care of for you. All you have to do is sit back, relax and make the most of all that is on offer.

Food and drink are a key part of the experience at Hahnenkamm Lodge and your chef will be on hand to ensure everything is exactly as you like it.

On arrival, Champagne and snacks are served to welcome you to the lodge and to set the tone for the rest of your stay.

The chef will work with you to design menus that are both creative and delicious. More importantly, meals are tailored to your whims, from each breakfast buffet, to carefully crafted afternoon snack and every gourmet evening meal, served alongside selected fine wines. Whether you want candles and formal dining or comfort food served on the sofa, traditional fare or Asian fusion, your chef will ensure your wish is their command.

A complimentary bar serving everything from wines and digestifs to cocktails, mocktails and hot drinks is always open and staff will ensure your drinks always remain topped up.

## Kids

There's no room for boredom here. You'll be lucky if you ever see them! The open-plan design of the chalet means there's plenty of room to play indoors and there are spacious terraces where they can burn off some energy, too.

Children will love having their very own dedicated bunk room, with individual bunks for four, flatscreen TV and both a PS4 and a Wii.

To make life more relaxed for families, the chef can prepare dedicated kids' teas so that there's less pressure on everyone and both children and adults can relax and enjoy every meal.
