

## Ultima Grand Villa Geneva, Switzerland

### What we love...

We love the entertainment facilities at this villa, from the luxury spa, to the private cinema and bar.

Enjoy a break unlike any you've had before. Ultima Grand Villa is a simply stunning property set over three floors and covering 2000 square metres near the shores of Lake Geneva and within striking distance to Geneva itself.

As well as seven luxe en-suite bedrooms, there is a beautiful master bedroom that's a real treat to stay in, as well as a one-bedroom guest house, ideal for either overnight guests or a nanny. Each of the bedrooms is put together using only the most sumptuous fabrics and furnishings and includes art pieces and designer furniture to give each space individuality. Spa style bathrooms include all you need to invigorate you during your morning shower or totally relax during a long soak at the end of the day.

The sprawling communal areas are truly magical. Whether you're planning a large party, or cosy nights in with friends, the glamorous sunken sofa area, dining space lit by twinkling chandeliers and separate teppanyaki space offer everything you need.

But it's for entertainment that this villa really comes into its own. Show a film in the private cinema, host an event in the underground arcade

lounge and make full use of the staffed bar and private dining room for a memorable 'event' meal with your guests.

If you're hoping to spend a little time on self care, there's nowhere better to do so than at Ultima Grand Villa. The wellness offering is second to none, with a heated outdoor swimming pool and Jacuzzi, sauna, Hammam, fitness suite and treatment room. A team of specialists in nutrition, wellness, fitness and more are available for one-off treatments including Swedish massage, body scrubs, Bikram yoga and reflexology, as well as bespoke immersion programmes to help you make a change or simply attain a deeper level of relaxation while you're away.

Whatever you want from your stay at this luxury villa, the dedicated team of staff are on hand to make it a reality. From organising the perfect party or event alongside you right down to ensuring every sofa cushion is plumped and every glass refilled, the staff are every present yet virtually invisible, as they go about making your days at Ultima as magical as the property itself.

The outdoor dining space and terraces are ideal for a party at the pool's edge and your chef will be able to create a feast to impress you all. The villa also has a Teppanyaki area as well as a beautiful private dining room, which seats 12 guests and can be used for an intimate gourmet dinner with paired wines from the villa's cellar.

Your chef and villa staff will work with you to ensure the menus during your stay will please everyone in your party, whether that's local specialities or international cuisine, gourmet tasting menus or light and laid-back alfresco meals by the pool.

If you decide to head out, Geneva itself has a plethora of great restaurants. We particularly like Bayview by Michael Roth at the Hotel President Wilson.
