

Villa Oro Ibiza

What we love...

We adore the multitude of facilities for children offering endless hours of fun. Kiddy sized beach huts, pirate ship climbing frames, swings, trampoline and even a giant game of checkers. Villa Oro knows happy children make for happy holidays!

A hinterland holiday home. Far enough away from the crowds but close enough to wave, Villa Oro is a classy rural retreat offering you, your friends and family a taste of life in Ibiza.

Smooth white lines, exquisite grounds and a taste of Spanish country living is enveloped in a warm Ibizan hug. Sleeping 12 guests across six lavishly designed suites, Villa Oro is offering luxury and serenity on a spectacular scale. Views across the grounds and shimmering Mediterranean Sea beyond make the perfect place to unwind in a simply stunning setting.

Open plan outdoor living is what The White Isle is all about and Villa Oro offers cosy corners and wide open dining areas to savour every moment of your summer holiday. The only decision to make is which of the numerous shaded lounge areas to enjoy that lovely G&T on.

When the sun gets a little too much, have a dip in one of the coolest

swimming pools you'll see. Split in to three, the semicircular front sets off the garden setting whilst a raised rear section allows you to swim under the shade of the villa's overhanging canopy. The hot tub sits in pride of place and offers the fortunate few a chance to bubble away with a glass of bubbly.

The vast two and a half acre plot not only houses this magnificent villa but offers gardens cleverly created for you and your family to explore. Rural Balearic living has always meant growing your own produce and for those wishing to pick and eat, fill your boots – or basket – with apricots, peaches, figs and almonds, all of which are a plenty on these glorious grounds.

Scattered loungers and secluded four poster day beds appear as you walk amongst the swaying palms and cacti that whistle away in the warm Ibizan breeze. So take a dip in the pool and wander out into the garden and take that Spanish siesta. Why not? You've earned it.
