

The Loft

Selva Val Gardena, Dolomites

What we love...

We love the fabulous wellness area in the Hotel Rodella, which guests of the Loft have exclusive access to.

Modern, stylish and designed to make life as easy as possible for you, The Loft is a luxury ski apartment that is part of the boutique Hotel Rodella, and offers a warm welcome as well as a stylish backdrop for a week in the Dolomites.

This really is the best of both worlds: all the privacy and comfort of a private apartment, with all the amenities of a luxury boutique ski hotel.

The Loft is one of three luxury ski chalets that make up Chalet Val Gardena, part of the Rodella Hotel, a small, family-run hotel that really knows how to make the most of the wonderful surroundings and its spectacular situation.

The contemporary style of the apartment, with its light woods and neutral colour palette brings a really relaxing feel to the property. A lift services each floor of the building,

so you can zip down to the Rodella's wellness area whenever you feel the need, to enjoy the indoor/outdoor heated pool, outdoor hot tub, ice fountain, Finnish sauna, Hammam and relaxation area.

A ski and boot room means you can be measured up when you arrive and gives you somewhere to chuck all your ski gear the moment you return from the snow.

Everything you need is on hand and the hotel's fabulous facilities are there for you whenever you want to enjoy them. But for moments when you just want to hide away with friends and family in a bolthole in the snow, The Loft is also ideal. Gather together in the cosy living space to chat, or enjoy some peaceful time alone out on the wraparound balconies, enjoying the spectacular views and mountain air. At The Loft, you'll always feel on top of the world.

Eating

On arrival, Prosecco and canapés are already waiting for you, alongside a warm welcome and an introduction to the area.

In the mornings, there is a buffet breakfast as well as hot dishes to choose from, so you'll go out onto the snow well fed and ready for anything. And when you return, afternoon tea will be ready and waiting to refuel you, whether you prefer sweet treats and cakes or a savoury platter.

A four-course dinner is offered on six evenings and orders are taken each morning for that evening. There's an antipasto course, then a choice of two pasta or soup dishes, three main courses and a selection of delicious desserts to pick from. Your chef prepares all the food on the floor below the chalet, so you can enjoy complete privacy in the evenings, but still enjoy the great food and service you'd get in a top restaurant. Please note that drinks will be charged for separately.

A kitchenette means you can fix yourself tea and coffee or snacks whenever you wish. On your chef's night off, your concierge will be happy to help with restaurant bookings, too.
