

Chalet Panorama Selva Val Gardena, Dolomites

What we love...

We love the luxury shared spa, complete with indoor/outdoor swimming pool, Finnish sauna, outdoor Jacuzzi, ice fountain and Hammam.

A contemporary luxury ski apartment that combines traditional charm with mod cons, Chalet Panorama is part of the beautiful Chalet Val Gardena; three boutique chalets that are situated within the Hotel Rodella.

You'll find you can enjoy the best of everything here. The apartment offers all the comforts and privacy of any luxury ski chalet, yet you have all the amenities offered by a boutique ski hotel right on your doorstep.

First, there's the wonderful shared spa with its indoor/outdoor heated swimming pool, outdoor Jacuzzi, Finnish sauna, ice fountain, Hammam and relaxation area, where you can kick back after a hard day on the slopes and let your body be gently restored to full relaxation. There's also a shared ski and boot room, which means you can be measured up for your

ski gear as soon as you arrive and when you get in from the mountains each afternoon, you can simply kick off your wet boots and clothes and get on with enjoying your holiday.

The apartment itself has a lovely living space, which is perfect for gathering in with friends and family for a cosy drinks party or simply to catch up with your group. The living spaces are light and contemporary, decorated in a neutral palette using warm woods and natural stone; the ideal backdrop for a laid-back holiday, and the perfect spot for relaxed drinks while you and your party catch up on all the day's adventures.

Before you retire to your cosy bedrooms, do take a drink out onto the balcony to enjoy the mountain views and fresh air, and just drink in that peaceful atmosphere before you head off for a night of deep and restful sleep.

Eating

Food and drink are one of the cornerstones of life at Chalet Panorama and with that in mind, on your arrival, Prosecco and canapés will be waiting for you with a welcome reception.

Each morning, a buffet breakfast and selected hot dishes are served to set you up for a day on the slopes. And when you return, an afternoon tea of sweet or savoury treats will be laid out ready for you.

A four-course dinner is offered on six evenings and orders are taken each morning for that evening. There's an antipasto course, then a choice of two pasta or soup dishes, three main courses and a selection of delicious desserts to pick from. Your chef prepares all the food on the floor below the chalet, and your dedicated butler serves you in the privacy of your own apartment. Please note that drinks will be charged for separately.

A kitchenette is well equipped so you can make yourself tea and coffee or snacks whenever you wish. On your chef's night off, you can eat in the Hotel Rodella's dining room or your concierge will be happy to help with restaurant bookings, too. We particularly like the Michelin-starred AlpenRoyal Gourmet restaurant in Selva Gardena.
