## What we love...

We love the clean and modern style of this stylish and contemporary apartment, which is so different to the majority of luxury ski chalets in Lech.

Alpine Modern Suite is a very stylish, mid-century modern suite that forms part of Arla Luxury Home.

This chic apartment for four is a fabulous base from which to explore Lech, being just a few minutes' walk from the village itself and moments from the slopes.

Two luxury bedrooms, each with their own bathroom, provide a comfortable and cosy place to rest your head each night.

At one end of the living/dining space, a circular dining table sits in the floor-to-ceiling windows, allowing light to flood in while you sit, eat and watch skiers hurtling down the mountain. Nearby is a stylish seating area, with wooden mid-century chairs and a beautiful velvet sofa where you can slump after a morning on the slopes. There

is a generous terrace, too, with views over Lech and the Omeshorn mountain where you can have a quiet breakfast with the scenery, or spend a while in the evening, with after-dinner drinks, enjoying the night air.

On afternoons when you've returned from skiing, you might like to enjoy the sauna, steam room, yoga and fitness studios, shared with one other suite in Arla Luxury Home. And for some more extensive pampering, guests of Alpine Modern Suite are welcome at the Hotel Aurelio's spa, which is just next door: a thermal suite, swimming pool with Jacuzzi, saunas and steam bath will soon soothe away any aches you've picked up on the piste.

Perfect for a family of four or a few friends, the Modern Suite is a bijou bolthole that's the ideal backdrop to a week skiing in Lech.

As guests of Arla Luxury Home, you're also always invited to dine at Aurelio's, the gourmet restaurant that is part of the Aurelio Hotel adjoining. There's both a fine dining and a half-board menu, so you can choose what suits you best.

There's plenty to do in Lech and the town is most known for its gastronomy, so foodies will be in seventh heaven here. This property is walking distance from many wonderful restaurants, too. We particularly recommend Zur Kanne's for lunch on its terraces, Griggeler Stuba for an evening meal of local, seasonal dishes.
