

Chalet Eleonore Meribel, France

What we love...

We love the chalet's private spa area with an indoor swimming pool, Hammam, sauna and massage treatment room...

Light, airy, and thoroughly modern, Chalet Eleonore is a contemporary and bright space in which to relax for a fun break with friends and family. Part of the exclusive Le Coucou hotel in Meribel, this 590m² luxury ski chalet offers direct access onto the piste, straight onto the crisp fresh snow every morning for that 'top of the world' feeling.

Scandi-style design brings a laid-back feel to the property, where comfy sofas are clustered close to the fireplace to make for cosy catch-ups in the afternoons, and elsewhere, capacious chairs gather in the TV room to create a completely relaxed space in which to chill out and refuel after a few hours out in the snow. There are also intimate dining areas, and outdoor balconies with fabulous views, all just perfect for getting together with the rest of your party and enjoying the outlook and the ambience in peace.

All the bedrooms here work as both doubles or twins, giving you maximum flexibility, and spa-style en-suites mean you're always happy

to escape to the privacy of your bedroom for a little pre-bedtime pampering.

While there's plenty of peace and privacy to be enjoyed at this ski chalet in Meribel, Chalet Eleonore also offers its guests all the benefits of a stay at a luxury ski hotel, such as the exclusive restaurants, bar and cigar bar, as well as use of the fabulous spa with indoor and outdoor swimming pools, Hammam, sauna, Jacuzzi, steam room, treatment rooms, fitness suite and hair salon.

You're looked after every second of your stay here, with a private butler to take care of all your needs, from booking childcare to arranging husky sledge rides, cocktail-making sessions, private chefs and more.

Everything you could wish for is on hand, but when you want to shut yourselves away from the world, you have only to close the door, fling open the balcony windows, and suddenly you feel like you're the only ones on the mountain.
