

## Apartment Jossane Meribel, France

### What we love...

We love the apartment's location with direct access to the piste and close to the famous Le Rond Point après ski bar...

For guests who want to stay close to the heart of Meribel, but still enjoy a ski-in/ski-out location, without compromising on alpine luxury, Apartment Jossane ticks all the boxes.

This stylish, open-plan apartment is perfect for communal socialising and comes with all the mod-cons you could need on your luxury self-catered ski holiday. Plus, it's ideally located at Le Rond-Point in Meribel, with direct access to the slopes and near to one of the resort's best slope side lunch spots.

The spacious living area of the apartment is the real selling point here, and thanks to the wrap-around floor to ceiling windows, you'll feel as if the space is even larger than it is, with epic mountain views drawing your eye outside. There is also a balcony to enjoy the views from, ideally with your morning coffee or a glass of bubbly after a hard day on the slopes.

Inside, the décor is a contemporary take on alpine interiors, with beautiful wood panelling and ceiling beams, but also eye catching, arty light features and plush modern sofas. For cosy evenings, there is even a striking open fireplace set into the wall in the lounge area. In the kitchen, a breakfast bar and huge wooden table mean this is a place where you can come together to cook, chat and spend good quality time as a family.

At the end of the day, filled with fresh air and fine food, you'll be thankful to retreat to the luxury bedrooms, designed with high levels of comfort and cosiness in mind.

Please note that the current CGIs are to provide an impression of the apartment and may not represent the exact furnishings. Final images will be available in due course.
