

## Chalet Bellacima

Meribel, France

### What we love...

We love the chalet's prime location, just a few minutes' walk from the buzzy resort centre...

Welcome to your magical bolthole in the snow, a ski chalet with spa that's a perfect spot for a larger group to base their luxury ski holiday.

Chalet Bellacima's interior design is a modern boutique twist on traditional alpine style. From the outside, the chalet is your typical alpine base, but inside the contemporary furnishings, thoughtful touches, and double height living area ensure this luxury home away from home is anything but ordinary.

After an energetic day, relax by the roaring open fireplace in the spacious open plan living area. Then grab a drink and drift out to the sun terrace to enjoy the mountain views. A heavenly dip in the outdoor

hot tub is just the ticket after a day hurtling down the slopes and a spell in the sauna will revive tired ski muscles.

When it comes to entertainment, Chalet Bellacima doesn't miss any tricks, with Sonos sound system, private cinema and a billiards room, there is something for everyone. All in all, you're spoiled for choice at Chalet Bellacima – and that's before you've even set foot on the mountain, or explored the lively town of Meribel.

At the end of each exciting day, you'll retire to the luxurious bedrooms with stacks of fluffy towels, bathrobes and bath products to help you relax before you drift off to sleep, dreaming of tomorrow's adventures.

### Kids

Children will love splashing around in the outdoor hot tub if they have left-over energy to expend. When it's time to relax, they can snuggle under a blanket to watch their favourite films in the cinema room.

Flexible sleeping arrangement is key at Chalet Bellacima, as most of the beds can be converted into twins to accommodate children in the group.

To ensure those all-important schedules are maintained, the chef can prepare early dinners with specially designed kids' menus, so parents can kick back and relax over their meal post-bedtime.
