

Chalet Griffonner Morzine, France

What we love...

We love the wrap-around deck and floor-to-ceiling windows, surrounded by the mountains and the twinkling lights of the valley below...

Luxury knows no bounds at Chalet Griffonner. Beautifully designed with rustic-luxe interiors and warm woods, it offers the ultimate in style, comfort and sophistication for a luxury self-catered ski or summer holiday.

A large double height living area on the top floor is flooded with light through the floor-to-ceiling windows. In the mornings, take your first coffee of the day onto the large terrace and enjoy the incredible views across the valley and the slopes. In the evenings, the living space is transformed into a cosy retreat, with a roaring fire to gather around with friends.

If you are dining in, move across the open-plan living space to the modern and comfortable dining area, where there are upholstered chairs, created with long, leisurely dinners in mind. Afterwards, take after-dinner drinks out onto the balconies to watch the stars twinkling over the mountains.

With two additional entertaining rooms on the living floor, there is ample space to spread out at Chalet Griffonner. A home cinema room provides a cosy place to unwind after food with a film all together. The TV snug also provides the perfect space for kids to make their own, where they watch TV, play video or board games.

Wellbeing is top of the billing here, so after an energetic morning on Morzine's slopes you can relax and recharge in the wellness area with a sauna and massage treatment room. Afterwards, why not head outside and soak in the hot tub where you can also enjoy fabulous mountain views.

Each of the luxury bedrooms is decked out beautifully with luxury linens, spa-style bathrooms and bathroom products, giving every guest space to relax and find some peace and quiet on their luxury ski holiday. All of the bedrooms can be configured as either doubles or twins, giving you room to manoeuvre, no matter who's in your party.
