

Chalet Divinity Megeve, France

What we love...

We love the chalet's spa facilities with an indoor swimming pool and Hammam, as well as a private bar in the relaxation area...

Whether you are here for invigorating winter sports or for the joys of summer in the Alps, a stay at Chalet Divinity is an experience you will treasure for many years to come.

Chalet Divinity strikes the perfect balance between a traditional, rustic style and contemporary luxury. Inside, you'll find a spacious open-plan living area with its high beams and comfy seating area, the perfect spot to catch up with friends and family. Large windows and wide balconies let the sparkling mountain light flood into the chalet, and a generous terrace is the perfect place to enjoy your morning coffee or favourite après-ski tippie.

After a day on the slopes, the first port of call will undoubtedly be

the stylish spa area with an indoor swimming pool and Hammam. If you haven't pushed yourself hard enough, there is also gym equipment if you wish to maintain your fitness regime.

By the time you turn in for the evening to your luxury bedroom, well stocked with fluffy robes and luxury bath products, you'll be more than ready to sink into a comfy bed and drift into a deep sleep, ready for tomorrow's adventures.

In addition to a chef, butler and in-resort driver, your personal team of chalet staff also includes a housekeeper who will ensure that your surroundings remain as impeccable as when you arrived, without you having to lift a finger.

Each morning, a hearty breakfast is served to fuel you for a day on the slopes.

In the evenings, your chef will conjure up tantalising meals throughout your stay. Whatever you have in mind, be it family-friendly meals, small, romantic celebrations or catering for a large gathering, your chef will plan it with you and bring it all together. Any dietary requirements, whims and wishes can all be taken into account when menus are being designed.

To make life more relaxed for families, the chef prepares dedicated kids' teas so that there's less pressure on everyone and both children and adults can relax and enjoy every meal.
