

Chalet Sellaronda

Selva Val Gardena, Dolomites

What we love...

We love the private spa area with Finnish sauna, infrared sauna, wellness shower and outdoor hot tub. Guests also have access to the Hotel Rodella's spa next door with an indoor/outdoor swimming pool.

For a luxury holiday in the Dolomites that offers both the utmost privacy, as well as all the benefits of a boutique hotel, Chalet Sellaronda might just tick all the boxes. Newly built in 2021, this luxury chalet is within moments of ski lifts in every direction, offering something for every level of skier.

Perched next door to, and as part of, the Rodella Hotel, with its fabulous restaurant, spa, massage treatment rooms and indoor/outdoor swimming pool, Chalet Sellaronda has all the amenities you could wish for on your doorstep. The swimming pool is directly connected to the chalet through a connecting door just for chalet guests' use, so you'll be back in moments when pre-dinner drinks are served.

But for those times when you just need a little peace and quiet, the chalet also has private spa facilities of its own with an outdoor hot

tub and sauna, as well as its own communal areas where you and your party can gather together in the evenings to catch up on all the day's adventures in private.

The rustic-modern interiors with light woods and neutral fabrics provide a relaxing backdrop for your week in the mountains. A roaring fire sits at the heart of the property, with large sofas gathered all around. Nearby is an intimate dining area, beneath a statement chandelier; the perfect spot for a leisurely meal with good friends and good conversation, and also a bar.

Each of the luxury bedrooms is designed with your complete relaxation in mind, with a pared-back minimalist look. No need for fancy artworks here; the windows from every bedroom offer fabulous views of the village and the Sella Massif beyond. Simply stunning.

Eating

You'll be in the safe hands of your private chef and butler to cater for all your needs for the duration of your stay at Chalet Sellaronda. On arrival, Prosecco and canapés await to start things on the right note.

Each morning, you'll wake to a generous breakfast buffet with hot dishes of your choice to set you up for your skiing day. When you return from the slopes, afternoon tea is laid out waiting for you to warm you through and keep you going until dinner time.

On six evenings, your chef and butler will serve drinks before a five-course evening meal. A cheese and wine tasting can be arranged in the hotel's wine cave one evening, so you can sample some of the best local specialities and south Tyrolean wines.

On staff's night off, they will be happy to help you with bookings for local restaurants. We particularly like Nives and Suinsom, both nearby, and of course the Hotel Rodella is adjoining the chalet, which has its own delightful restaurant.

For summer rental, Chalet Sellaronda is offered on a bed & breakfast basis. Evening meals can be booked in the hotel restaurant at additional cost.
