

Chalet 3Sixty La Tania, France

What we love...

We love indoor swimming pool with stunning views of the mountains outside...

Uninterrupted mountain views as epic as those from Chalet 3Sixty are usually reserved for the outskirts of ski resorts, but this luxury ski chalet is just a short stroll from centre of La Tania – what's not to love?

Beautifully crafted inside and out, this newly constructed property exudes contemporary style with a stunning double-height, open-plan living area on the top floor. Beautifully lit, with floor-to-ceiling glass doors out onto the terrace, you can wonder out with your first coffee of the day or an après-ski tippie and soak in the breathtaking mountain views. In the evenings, the living space is transformed into a cosy retreat, with a roaring fireplace to gather around with friends.

After a day spent on the slopes, this luxury ski chalet's spa is ideal for resting aching ski legs. Unwind in the Hammam before taking a few lengths in the 10 metre indoor swimming pool with with floor-to-ceiling windows that look onto the mountain.

There are also plenty of places in which to hide away and enjoy a bit of peace and quiet, from the separate TV room to the luxury bedrooms that double as cosy boltholes. To ensure you sleep long and soundly, each bedroom is designed with comfort in mind, with puffy duvets and luxury bath products, because it's as often the little things that make a big difference.

And in the morning, you're just moments from the slopes. A well-equipped ski room and a comprehensive driver service mean you will never waste a moment getting to where you want to be. Minutes after you've finished breakfast you can be out on the snow making the most of everything on offer in the 3 Valleys.

For larger groups, the adjoining 2-bedroom apartment Petit 3Sixty can be taken alongside (subject to availability) to accommodate up to 16 guests.

Chalet 3Sixty

Kids

Children are warmly received and families made to feel very welcome at Chalet 3Sixty.

There's plenty of room for kids to let off steam here, and lots to keep them occupied when they aren't on the slopes. As well as an indoor swimming pool to splash in, there's also a separate TV room where they can sneak off to catch a movie.

The chalet's location is another boon for families. The main lift station is a snowball's throw away, so you don't have to worry about schlepping little legs on long journeys each day.

As the bedrooms can be set up as either as twins or doubles, it's a very flexible chalet depending on the number of children in the party. Cots and highchairs can be provided for smaller guests.
