

Chalet Aphylla

St Martin de Belleville, France

What we love...

We love the uninterrupted mountain views across the valley, which can also be enjoyed from the outdoor hot tub on the terrace...

With staggering views down the valley, Chalet Aphylla offers a lot more than a little hope. Sleeping up to 8 guests across four luxury en-suite bedrooms, this charming ski chalet has everything you have been looking for in your luxury self-catered ski chalet in the 3 Valleys.

A glorious first floor, open plan living and dining area keeps your group together whilst they relay stories of the day zipping around the mountains.

The south facing views down the valley are stunning and there's nowhere better to enjoy this than in the bubbling hot tub outside on the wrap around terrace. Alternatively, you might like to sneak off to the sauna to ease away any aches and pains from your skiing day.

In the evenings, kick back and warm yourselves by the fire while you catch up with the rest of your party. After dinner, retreat back to the roaring fire or out onto the balconies with a night cap to watch the stars twinkling over the mountains.

Then it's off to bed. Each bedroom is an ode to comfort, with luxury linens, bathrobes and anything else you could need to make your own little home away from home on your luxury ski holiday here in the mountains.

For larger groups, Chalet Aphylla can be booked alongside Chalet Aralia (semi-detached sister chalet) to accommodate up to 16 + 2 guests.

A self-catering arrangement at Chalet Aphylla offers flexibility for your luxury ski holiday.

For those happy to cater for themselves, the kitchen is very well appointed with everything you need to make cooking a pleasure. Nearby, a comfortable dining area provides space for you all to relax over long meals, fine wines and good conversation.

Of course, there are lots of wonderful eateries to enjoy in and around Saint Martin de Belleville too. We particularly love the three-Michelin-starred La Bouitte and the traditional French dishes at L'Etoiles des Neiges.
