

Chalet Elangeni La Tania, France

What we love...

We love the chalet's location, only metres from the pistes and close to the centre La Tania...

Sleek, stylish and centrally located in La Tania, Chalet Elangeni is an ideal find for a family or group of friends looking to relax, unwind in style and make the most of beautiful 3 Valleys.

Positioned within a stone's throw to the pistes, this luxury chalet is ideal for those seeking quick access to the slopes. Once you've abandoned your ski gear in the boot room at the end of the day, step inside the welcoming living area and gather in front of the fire.

The open-plan living room has a wood-burning stove, double-height ceilings and a large, comfy sofa gathered around it strewn with comfy throws and cushions. At the other end is the modern dining area, a dreamy space in which you'll enjoy long, leisurely dinners, long into the evening. Afterwards, take after-

dinner drinks back to the roaring fire or out onto the balconies to watch the stars twinkling over the mountains.

While this luxury chalet makes for a wonderfully sociable entertaining space, there's also room to find a quiet corner to yourself whenever you need it. Spend a few hours in the private sauna, easing the strains of the slopes away on your luxury ski holiday, or relax in the cosy TV room for a film matinee before champagne appears and the evening commences.

For sunny evenings or starry nights, the place to be at Chalet Elangeni is undoubtedly the terrace. No matter if you're enjoying the views with a hot chocolate or soaking sore legs in the private outdoor hot tub, there's no better spot to get in the holiday mood.

Chalet Elangeni

Kids

Chalet Elangeni is a great chalet for families, with the nursery slopes located 50 metres from the chalet so access to the beginner area is a doddle.

After a busy morning at ski school, kids can enjoy splashing in the outdoor hot tub or get competitive over a game of table football and table tennis. When they're ready to settle down, they can snuggle under a blanket to watch their favourite films and cartoons in the TV snug.

Your private chef will be able to put together dedicated kids' teas, designed for younger palates, and served early in the evening so that children can eat in a more laid-back setting.
