

Chalet Herisson La Tania, France

What we love...

We love the chalet's location, situated right by the piste for true ski-in/ski-out access...

Welcoming, modern style in a wonderful setting, this luxury ski chalet in La Tania is a wonderful base from which to enjoy all a luxury ski holiday has to offer, from world-class skiing to top notch food and complete relaxation.

Chalet Herisson is located on the edge of the Moretta Blanche piste and surrounded by snow-kissed pine trees. With ski-in/ski-out access, setting off to explore the superb 3 Valleys ski area couldn't be more convenient.

Inside, the double-height living room is decorated in neutral tones, complimented by soft natural textures. Collapse in the comfy sofas to enjoy the view over tea and cakes in the afternoons with the rest of your party and catch up on all the adventures everyone has had during the day.

Adjacent, there's a sophisticated dining area where you'll be happy to linger in long into the evening, chatting over excellent food and fine wines under the twinkling lights. Indeed, the whole living space is completely transformed in the evening from a light and airy space to a cosy retreat, sparkling with candlelight.

Perhaps one of the biggest selling point of Chalet Herisson is its sun terrace with a sunken outdoor hot tub, where you can soak away aching muscles after a long day on the slopes.

At the end of each exciting day, you'll retire to the luxurious bedrooms with stacks of fluffy towels, bathrobes and bath products to help you relax before you drift off to sleep, dreaming of tomorrow's adventures.
