

Chalet Les Sorbiers

Le Raffort (Meribel), France

What we love...

We love the games room with cinema-style screen and billiards table for laid-back afternoon fun when you get home from the mountain.

Sleek and modern, as well as cosy and comforting, Chalet Les Sorbiers is the ideal combination for a perfect luxury ski holiday.

Located in the hamlet of Le Raffort, this ski chalet makes a great base for a large group of family or friends, with all your needs and wishes accounted for - and a lot of luxury extras, too.

The contemporary interior is decorated in a neutral palette with warm red accents that bring a cosy feel to the sleek and stylish interior. In the main living space, a huge statement fireplace takes centre stage, warming you as you return home from your skiing day. Capacious, L-shaped sofas and generous armchairs leave enough room for everyone to sprawl and catch up after an energetic day out on the snow.

Nearby is a cosy dining space, lit by elegant candles, where you can enjoy gourmet food and fine wines long into the evening.

There's lots of space for everyone to relax at Les Sorbiers, whether gathered around the fire, making the most of the views on the balconies, or kicking back in the games room in front of a movie or enjoying a game of billiards.

For those that prioritise a bit of R&R on their holidays, there is a wonderful private spa area, with an indoor Jacuzzi, Hammam, fitness suite and a massage table. After a couple of hours here, you'll say goodbye to every last bit of tension and stress, and emerge feeling completely rejuvenated.

At the end of each evening, take the magically lit stairs, with glass bannister, to your luxury bedroom. Each room is en-suite and equipped with Apple TV as well as a balcony with mountain views, so you always have your own bolthole to escape to. We highly recommend arriving early to claim the master suite with its own lounge, dressing room and huge bath tub that's perfect for long soaks to cure mountain-weary legs. Total bliss.
