

Villa Giada Capri, Italy

What we love...

We love the large al fresco dining area with sunset views over the Tyrrhenian Sea

Live out your Italian fantasies at Villa Giada, perched on the cliffside overlooking the Tyrrhenian Sea below. The simple white villa is surrounded by towering trees, fuchsia flowers and a sweet-smelling herb garden, creating a little seaside oasis. To the side of the villa you'll find a large terrace and swimming pool, with sparkling sea views and plenty of space for sunbathing.

Inside, Villa Giada is sleek, stylish and understated. The décor is white and blue, to suit the seaside setting, and the ceilings are tall and the windows large, creating several calming, light-filled spaces for relaxing. On the main floor, there is a spacious dining room, cosy TV room and modern kitchen with lovely garden views, plus three double bedrooms and a bathroom.

Downstairs, a spectacular master suite covers the entire floor. As well as the bedroom, walk-in wardrobe and en suite, the master suite also has its own lounge and dining area – perfect for giving parents or grandparents some privacy. Décor in the master suite is just as elegant as in the rest of the villa but, since the lower floor has been built

directly into the cliffside, exposed rock also creates the most unique feature wall you can imagine. From this lower floor, head out through the glass doors to find a large outdoor terrace. It's the perfect spot to sit at the dining table and relax as you soak up the idyllic setting, complete with sea and sunset views.

If you do want to explore more of Capri on your luxury holiday, rest assured it's easily done. Perhaps hire the villa's private speedboat for a day, go wine tasting, or even venture across the island on a guided mountain bike tour?

The villa's staff are unobtrusive, almost invisible, but always there when a drink needs refreshing or a towel fetching. A private Italian chef will ensure you are always well looked after, whether you're enjoying breakfast in the sun by the pool, sundowners on the terrace or a gourmet dinner by candlelight in the chic dining area. You'll finish every day well fed and ready to retreat to cool bedrooms, luxury cotton sheets and the sound of the waves in the distance as you drift off to sleep.

Plucked from one of the most renowned academies in Italy, the Eccellenze Campane, your expert Italian chef will cater for your every need, with tasty breakfasts and multi-course dinners served every day. Boasting its very own private vegetable and herb garden, you can ensure fresh ingredients are used each day.

Any dietary requirements, whims and wishes can all be taken into account when menus are being designed, to ensure every meal is one to remember for all the best reasons. If you would like a separate early dinner for the children, that's no problem.

When it comes to choosing dining spots, you're spoilt for choice. You could opt for a relaxed affair around the pool, al fresco dinner on the terrace, or perhaps a more formal meal inside.

Please note that cost of food and drinks will be charged for separately, allowing the chef to tailor menus to your exact requirements.

Villa Giada

Kids

Villa Giada is the perfect base for an idyllic family holiday. The kids will love the swimming pool and there is plenty of space for them to play in the sun without you all getting on top of each other.

In the evenings, home cooked Italian cuisine is likely to be a crowd pleaser, hopefully filling their bellies and sending them straight to slumberland. If they need a little more entertaining, pop the TV on and let them settle with a film while you enjoy pre-dinner drinks under the stars outside.

If you're travelling with tiny tots, or just need some time to yourselves, babysitting and childcare services can be arranged on request.
