

Chalet Breithorn Verbier, Switzerland

What we love...

We love the south-facing balcony with panoramic views, the perfect spot to enjoy a sunset apéritif.

You'll find a warm welcome in this luxury mountain hideaway. Chalet Breithorn is perched high above Verbier in a duplex apartment, giving you a fabulous view of both the mountains and the town below.

High ceilings and large windows allow the light to flood into the beautiful living area, filling it with sunshine in the mornings or take coffee out onto the south-facing balcony to enjoy the sweeping mountain views. In the evenings, when the fire is roaring in the stone fireplace and everyone is sitting around on the capacious sofas, under fur throws and blankets, it's the cosiest space you can imagine. What a wonderful place to get together with drinks and nibbles to swap stories of your day's adventures.

Come dinner time, the stylish dining area offers the perfect space for you and your guests to happily linger all evening over a leisurely meal. A well equipped kitchen means that you can cater for yourself in comfort.

At the end of each day, you'll fall into super-comfy beds in luxury en-suite bedrooms. We'd recommend before you do that you take a nightcap out on the balcony and breathe in the night air and watch the stars twinkle on over the town.

This is a property in which it's almost impossible not to relax. And when you've returned to Chalet Breithorn from the mountain each day, you'll feel a sense of calm washing over you as you cross the threshold again. It's difficult to imagine a better base from which to explore this magical ski resort.
