

Chalet Le Cygne Meribel

What we love...

We love the apartment's convenient location with direct access to Rhodos lift for ski in ski out access.

For guests who want to stay in the heart of the 3 Valleys and enjoy a ski-in/ski-out location, newly built Chalet Le Cygne is the perfect base. This duplex apartment is tastefully furnished, and great care was taken during the development to integrate both contemporary and traditional furnishings throughout the entire space. With its chalet-style décor, three-metre vaulted ceilings and sloping bay windows with panoramic views, the entire space was crafted with a deep appreciation for alpine style.

The spacious, open plan living, and kitchen area is a real focal point of Chalet Le Cygne. The cosy T shaped sofa is nestled in front of the warm fire, putting anyone who sits there in danger of never leaving. Two of the four bedrooms boast en-suites, while the other two

share a luxurious Jack and Jill style bathroom. If spa-style relaxation is your thing, the master bedroom even has its own private Hammam and you can soak tired legs in the sauna. Here you can truly escape it all, soothe away any slope related aches and forget the world beyond your little nook in the snow.

Famous après bar, The Rond Point, is just a stone's throw away making stumbling home after a long après as easy as possible. Savour the panoramic view under the starry sky in the evenings from the bay windows. You can warm your feet on the underfloor heating whilst watching the snow fall. Complete your day by sinking into the hotel-grade beds, and have a delicious sleep preparing tomorrow's adventure.
