

Villa Sphere Nord Lake Garda

What we love...

We love the unique indoor/outdoor swimming pool, which provides plenty of privacy and breath-taking views over Lake Garda.

Villa Sphere Nord is a cool and contemporary villa with a first-class lake-view location. Designed by the renowned Austrian architect Marc Mark, it cleverly combines the feel of a chic and spacious city penthouse with a spectacular outlook over Lake Garda's sparkling waters for a truly memorable luxury villa holiday.

The interior is elegantly decorated with sleek, neutral furnishings, while floor-to-ceiling windows showcase the lush gardens outside. The focal point of this luxury villa is its stunning indoor/outdoor pool, which runs from the rejuvenating spa area where you'll also find a sauna and steam bath – to the terrace, where it appears to merge with the glistening blue lake on the horizon.

The villa is also supplied with gym equipment, perfect for those wishing to maintain their fitness. If you're feeling active but wish to combine this with a more leisurely excursion,

the villa is equipped with e-bikes where you can whizz around and take in the stunning, local scenery.

The light-filled open-plan living room provides a soothing space in which to relax and entertain, with plush sofas and a large dining table, while the atrium has its own pool table, and the balconied library is an ideally placed reading nook. Each of the four bedrooms is spacious and airy, with a king-size bed and ensuite.

Food and drink are a big part of the Lake Garda villa experience, and guests will enjoy the services of a private chef at lunch or dinner time, plus a 'maxi bar' filled with complimentary non-alcoholic drinks and snacks. As the villa is situated in the grounds of a beautiful boutique hotel, guests also have use of the hotel's exclusive facilities, including a gourmet restaurant, bar and spa.

Kids of all ages will adore the villa's indoor/outdoor pool, offering the perfect playground in all types of weather for fun in the sun or in the shade.

Beyond the resort, the lake is just a 10-minute downhill walk, short cycle or shuttle hop away. Here, Gardone's pebble beaches are Blue Flag awarded and there are two lidos. If you're a family of water babies, the lake's calm waters are ideal for testing out paddle boarding and canoeing skills.
