

## Villa Sphere Ovest Lake Garda

### What we love...

We love the tranquil, lofty location – the villa's hidden upper terrace is the perfect place to while away an afternoon gazing out over the lake.

Surrounded by olive groves and cypress trees, with majestic views over the glistening lake, Villa Sphere Ovest's location is hard to beat for a quintessential luxury villa holiday on Lake Garda. A stay here feels secluded and serene, totally removed from the lively lake-shore life far below.

Designed by the renowned Austrian architect Marc Mark, the villa's sleek interior spaces are flooded with natural light, from the breezy fitness suite and spa to the elongated dining room that appears to float mid-air. As you wander from room to room, the lake view is ever-present – none more so than in the stylish dual-aspect lounge, which places a bold modern marble fireplace as its centrepiece.

The outdoor space at this luxury villa is equally impressive, featuring a sunken swimming pool flanked by plush sun loungers and a large Mediterranean-style terrace that leads onto landscaped lawns. All en-suite bedrooms have terrace access and views of the lake and mountains beyond.

For memorable holiday meals, ask your private chef to rustle up a feast on the barbecue, or indulge with more formal sit-down dinners around the table together. A 'maxi bar' stocked with complimentary non-alcoholic drinks and tasty snacks is also provided during your stay.

### Eating

Each morning you can enjoy a hearty breakfast delivered to your villa by hotel room service. There are plenty of options for lunch or dinner, with a private chef to cater for you and a choice of eateries down in Gardone.

If travelling with children, little tummies will inevitably get hungry early in the evening, so your private chef will happily cater for early kids' tea on days you opt for a dinner service.

As Sphere Ovest is part of the Eden Reserve Hotel, guests can also choose to dine at the restaurant, La Celeste, which specialises in seasonal Italian fine dining.

Please note that the cost of food and alcoholic drinks will be charged for separately.

In Gardone, the pebble beaches have Blue Flag status, and lake-based activities include boat trips, paddle boarding and canoeing. When it's all been too much excitement, help is on hand to get home via a private golf cart, or a shuttle service within 10km.
