

Chalet Blanc Cervinia, Italy

What we love...

We love the sumptuous private spa, where you can soak in the Jacuzzi beside the glow of a suspended log burner and gaze out over snow-capped mountains.

This sleek and sophisticated chalet sits in a breath-taking spot beneath Mount Cervino. Chalet Blanc takes the bones of a traditional ski chalet experience – a sustainable wooden building, snowy mountain views and wonderfully warm hospitality – and adds its own modern stamp of style. It's cosy in a contemporary way, with floor-to-ceiling windows always putting you right in the heart of the Alps. No décor detail is overlooked, and guests will admire the floating fires, opulent pendant lighting and floor lamps that are works of art.

The stand-out feature here is the private spa; unwind in the 12-person indoor Jacuzzi or Finnish sauna and refresh in the invigorating chromotherapy showers. For the ultimate sense of place, this ski

chalet has a solarium where you can sit out and let the snow fall around you beside the roaring open fire.

With a lift accessing all floors, Chalet Blanc has been designed to be a fully accessible luxury ski chalet in Italy. Sociable spaces include two inviting lounges and a fully equipped kitchen with a handy snack counter if you get hungry between meals.

Bedrooms all come with a minibar and Nespresso machine, TV and ensuite bathroom featuring Acqua di Parma products. Each room also has a private balcony so you can throw open the doors and enjoy coffee in bed, taking in the fresh mountain air and snowy scenes. For extra space, sister property Petit Chalet Blanc provides two additional bedrooms.

Eating

The scent of freshly baked bread and strong coffee fills the air each morning as you tuck into breakfast with a backdrop of a crackling fire. A hearty buffet of homemade pastries, yoghurts and cheese and meat platters will be laid out for you to choose from.

For dinner and drinks, a whole host of additional services can be added on to your stay and charged for separately, allowing you to tailor your dining experiences to your exact requirements. You might book your own après-ski with warming hot chocolates, mulled wine or cocktails served in front of the fire, or a wine-tasting experience to sample a selection of vintages from the Valle d'Aosta and beyond.

A private chef can be arranged to cater for dinner, with a choice of menus ranging from family-style Italian feasts to sophisticated à la carte courses, and the bar can be stocked with a wide choice of soft drinks, wines and spirits.
