

Apartment Les Abeilles Morzine

What we love...

We love the apartment's unbeatable setting in the heart of Morzine, with fantastic restaurants, bars and ski shops just steps away and a near ski-in/ski-out location when snow conditions allow.

Les Abeilles is a chic retreat in the heart of Morzine with breathtaking views over the Pleney slopes. There are top-notch restaurants and cool après-ski bars right on your doorstep and you'll never waste a moment getting out on the slopes, either, as Les Abeilles is virtually ski-in/ski-out (depending on snow conditions).

This contemporary second-floor apartment combines location, luxury and privacy. The décor is a modern take on alpine interiors; the wood, white and French grey palette oozes style, while plumped-up cushions and cosy throws add to the warm and welcoming vibe. A plush lounge space has been perfectly designed for curling up with a great book, and in the sociable open-plan dining area – complete with a glossy kitchen – you can chat over fine food and wine long into the evenings.

After fun-filled days with family and friends, spend restful nights in the apartment's beautifully furnished bedrooms. The range of rooms (king, twin, triple and quad; some with bunks, others ensuite) means there are plenty of options to suit all ages. Outside, two terraces showcase the snowy mountain views over Pleney, Nantaux and Nyon.

When you stay here, how you enjoy your luxury ski holiday in Morzine is totally up to you. You can self-cater or dine out; ski independently or with a guide; and make your own way around or book an in-resort driver service. Part of the beauty of Les Abeilles is that you get to call the shots.
