

## Chalet Banksy Tribute Tignes les Brevieres, France

### What we love...

We love the vintage pop-culture aesthetic of this space.

Chalet Banksy Tribute is, as you can guess, designed entirely around its namesake. Decked head to toe in artwork and unique features, this chalet brings to life quirky installation and performance art in a homely way. Interior designer Mickael Amar Mériquet celebrates Banksy's freehand graffiti by depicting the elusive artist's most famous work. The chalet brings Banksy's anti-authoritarian art to life with stormtroopers patrolling the table football, a retro-gaming arcade machine and shower screen graffiti decking out the bathrooms.

Each of the four bedrooms has unique features inspired by Banksy's favoured cities and creative mediums. Sleeping up to eight guests, the private space feels incredibly secluded yet sociable at the same time. With bicycles for sinks and exposed brick work, each of the four bathrooms has something unique and interesting about it. In the main living space, the space age fireplace gives off a homely, warm glow enticing you in to spend the evening with

a glass of wine looking at the spectacular vistas right outside. The open plan kitchen and living room space is brought together by gorgeous, atypical detailing like the mismatched dining chairs and chequerboard kitchen tiles.

On cold afternoons, when you've returned from shredding on the slopes, spend a heavenly hour or three in the residence's shared spa area soothing your tired muscles in the massage waterfall guns, splashing in the indoor pool and taking some zen time in the steam / sauna room. Private massages and treatments can also be arranged for you and for the fitness enthusiasts there's an exercise area for you to get a sweat on. If you prefer your relaxation to be framed by the crisp outdoors and the mountain scape, look no further than the private outdoor hot tub on the terrace.

Alternatively, if looking for some friendly off-piste competition, head on up to the mezzanine, to find the retro foosball table or the Gotham themed arcade machine.

## Eating

When staying at Chalet Banksy Tribute, you're opting into an incredible gastronomy experience for the duration of your stay.

On top of your VIP champagne welcome, a daily savoury and sweet breakfast using local produce will be provided by your dedicated team. Ensure yourself a hassle-free trip that delivers on all promises with the catered service.

Six evenings of your holiday, celebrate good food with luxurious evening meals served by your private butler in a show stopping dining experience. Compliment your meal with wine, beer, soft drinks and spirits of your choosing from the complimentary bar and finish your meal the local Savoyard way, with a Génépi digestif.

If exploring the local cuisine and heading out into the town is more your style, Chalet Banksy Tribute also offers a bed and breakfast option, that includes a yummy continental breakfast and après ski sweet treat to enjoy in the afternoon.
