

## Penthouse Chamois

La Daille (Val d'Isere)

### What we love...

We love the unrivalled views of the sloping mountains either side of the apartment and the close proximity to the slopes.

Penthouse Chamois can host up to 10 people across five comfortable bedrooms. With four attached en-suite double bedrooms and a special, illuminated view of Face de Belvarde, the entire space feels made for sharing precious moments together.

Nestled under the roofs, the terrace has one of the best views of the slopes, surrounding village and mountain ridgelines around. The aesthetics of the apartment are cosy yet modern, with delicate lighting and traditional stone details throughout. The apartment's warmth comes from the aged wood, impeccably furnished décor and central fireplace – the beds are incredibly soft and comfortable too. The close proximity to the slopes means you can arrive home, pop your boots in the ski locker and nestle up in front of the star of the show – the wood-burning fire within minutes.

Sit back, relax and enjoy the comfort package at Penthouse Chamois. Included in your stay is a private concierge to help you organise the best holiday possible, like booking memorable meals and organising transport if needed. You'll arrive to a warm welcome from a team member who will test and deliver your ski equipment, show you around all the rooms and explain anything and everything you need to know. Penthouse Chamois is built for a relaxed dynamic of family and friends. The open plan design puts connecting at the forefront, and the exceptional furnishings mean you're in for a total treat of a stay here.

## Eating

If self-catering isn't for you, you may find yourself being charmed by the 'à la carte package', an optional catering service that infinitely upgrades your dining experience.

Your team will organise for home delivery of five, three-course meals, cooked and prepared by our chefs and delivered straight to your door. On top of this, every day you'll receive a delicious pre-prepared breakfast ready to line your stomachs before a day out in the cold. Additionally, included in the à la carte option, is a daily housekeeping service – perfect for kicking back and relaxing.

For Tailor-made events, you can count on Penthouse Chamois' team to arrange either the privatisation of a yurt for a dinner in the wilderness, yoga or pilates classes at the chalet or for the more festive, an evening with a DJ, a birthday or even a show or a movie projection.

### Kids

The wide terrace at Penthouse Chamois is a great people and ski-watching spot, combined with the spacious living area, it's great for kids who have a lot of energy to burn. The piste's are a stone's throw away, as are the amenities of central Val D'Isere meaning the possibilities for family fun are endless.

After a busy day, see if the little ones are interested in playing one of the apartment games found in the living room. Once they're out of steam, the cuddly sofas and big TV and impeccable sound system are the key ingredients for a great movie night.
