

Apartment L'Etoile

La Daille (Val d'Isere)

What we love...

We love the prime ski-front location and great view of the slopes from the picture windows.

Staying at Apartment L'Etoile is a skier's dream. The location at the foot of the slopes is ideal, and the overall design and space has been crafted to perfectly suit a group of up to six guests. Located on the second floor and accessible by lifts or stairs, the living and lounge has a great view of the dramatic mountains.

Apartment L'Etoile has a spacious living room, decorated in an atmosphere that encourages guests to feel connected with alpine tradition, whilst being entrenched in the modern world with delicate details throughout. The open planned kitchen and dining room is the ideal spot for cosy evenings spent curled up on the sofa chatting. With its traditional and chic atmosphere, you are sure to be captivated by the authentic character of Apartment L'Etoile.

Throughout the space the lighting has been considered at every point. The two picture windows in the living room let streams of light in all day, coating the main social space in a golden hue. The bedrooms have a cubed window design, with multiple compact windows ensuring the utmost privacy for maximum natural light gain.

With a self-check option you can be flexible with your timings. You'll arrive to a generous welcome basket, perfectly made-up beds and fresh hotel quality slippers ready to be worn. If you have any questions about your holiday, make use of the private concierge service included in your stay. They'll help deliver your ski gear to you so not a minute of slope time is wasted.
