

## Apartment Madelia Verbier

### What we love...

We love the super-central yet tranquil location, high in the treetops in the centre of Verbier.

A stay at Apartment Madelia puts you right in the heart of Verbier's action, with ski lifts, buzzing restaurants, sunny après bars and boutique shops all on your doorstep. Yet it's impressively peaceful courtesy of its lofty penthouse position, which also affords stunning mountain views.

The décor at this airy alpine apartment is high-spec and low-fuss, creating a soothing and sophisticated grown-up vibe (with a few playful touches thrown in thanks to the curated artwork – like the sculpted zebra that watches over you in the open-plan lounge/diner). A large aged-stone fireplace sits at the heart of the home, inviting everyone to gather around the table for games or to relax on the plush cream sofas.

The elegant kitchen comes fully equipped with Miele appliances and white marble countertops, making it easy to whip up a quick snack or leisurely meal on evenings when you feel like staying in. The treetop-level terrace is a wonderful spot to sit and gaze out across the peaks while breathing in the fresh mountain air.

Bedrooms are cosy cocoons with exposed timber, sleek en-suite bathrooms and artsy accents – one room features a hanging chair, another comes with a sumptuous chaise longue and wall-mounted bicycle.

Apartment Madelia also has all the essentials you'd expect on a luxury ski holiday: private laundry facilities, lift access, underground parking and a private ski locker within the building's shared ski room.

Verbier is known for its sunny après scene and it's a great idea to factor in drinks at a bar in town after a day on the slopes.

If you don't feel like going out for dinner, Apartment Madelia has a compact but fully equipped modern marble kitchen where you can rustle up tried-and-tested favourites or try your hand at new local dishes, served with temperature-perfect bottles from the wine fridge.
