

Chalet Deux Ries Verbier

What we love...

We love the entertainment and relaxation floor, where you can hop from the hot tub to the cinema room via the fully stocked bar.

Chalet Deux Riés is a wonderful choice for a luxury ski holiday in Verbier with family and friends. The chalet's clever design means there's plenty of space for everyone to stretch out, and with top-notch facilities ranging from a wine cave to a cool cinema room and calming spa with a Hammam, sauna and hot tub, all guests will be thrilled to return home from the slopes each day.

The vibe at Chalet Deux Riés is soothing and sophisticated. The living and dining areas are modern and homely, perfect for quality time together. Catch up on the day's events with après-ski drinks around the fire pit on the terrace or settle down in the lounge by the roaring fire with a pre-dinner glass of Champagne. Then gather around the dining table for delicious four-course feasts.

Five en-suite bedrooms offer plenty of privacy. The master suite occupies its own closed-off mezzanine floor, while an adjoining apartment houses two bedrooms and has the bonus of another open-plan kitchen-lounge-diner – ideal for a family needing extra space.

Total serenity can be found in the spa. Soothe skied-out muscles in the Hammam or sauna and take leisurely soaks in the hot tub while peeping out to distant mountain peaks.

That's not all. Live out your library fantasies with the ladder-reached book nook, host candle-lit games nights in the atmospheric Sherlock Holmes-style study, and tuck into snacks and drinks from the bar while watching the big screen in the cinema room.
