

## Silver Fox Apartment 2 St Anton

### What we love...

We love the sociable open-plan living space, where all your group can gather around the dining table or by the wood-burning fire.

Silver Fox Apartment 2 is located on the first floor of an exclusive new chalet in St Anton's Nasserein area. The exterior has been built in a traditional attractive alpine design, yet inside the style is smart, light and modern.

At this luxury ski apartment, the large open-plan living space makes for a really sociable holiday. The tasteful wood-panelled dining area is a lovely spot for group meals, and the adjacent well-equipped kitchen makes it easy to cook up a storm. At the opposite end of the room, you'll find an inviting lounge – after a fun day out on the slopes, gather around the roaring fire to get warm, or settle down with a good book.

When post-skiing muscles cry out for some attention, head to the sleek bio-sauna and relaxation zone,

which is shared between the three Chalet Silver Fox apartments. After a full day of fun, good company and relaxation, head off to one of the five cosy and restful en-suite bedrooms.

Offered on a bed-and-breakfast basis, Silver Fox Apartment 2 also includes afternoon tea, and this is a welcome treat to return to each day. During your stay, you have access to useful extras including a washing machine, underground parking, a shared ski room and use of a ski depot at Nassereinbahn, as well as a full concierge service at your disposal.

Silver Fox Apartment 1, 2 and 3 can be booked on an exclusive use basis with total accommodation for groups of up to 32 guests.
