

Carlton Penthouse Suite St Moritz

What we love...

We love the Dream Butler experience, designed to help you sleep like a baby - enjoy a foot bath and aromatherapy foot massage in the spa, before heading to your room to choose a pillow from the chalet's curated pillow menu.

One of the biggest penthouses in the Alps and far and away the biggest and best in St Moritz, Carlton Penthouse Suite is a truly special property in which to unwind for a week.

The penthouse is reached via a private lift and takes over the entire eighth floor of the prestigious Carlton Hotel. As a guest of the hotel you'll have access to all the Carlton's amenities, including restaurants and bars, room service, 24-hour concierge and The Carlton Spa. But at the end of a busy day on St Moritz's slopes, you'll also be able to indulge in total privacy and peace.

The living spaces exude a gentleman's club feel, with capacious sofas and a coffee table gathered in front of the statement wood burning fireplace, exposed beams above and huge artworks and upholstered armchairs providing a cosy feel. At one end is a secluded corner housing a contemporary dining space. At the other, sophisticated loungers and a TV

area, with a comfortable home office tucked under the eaves. The whole space has a quiet, sophisticated feel and there's plenty of space both to gather together and to find a little peace and quiet, too.

The sense of old-fashioned grandeur is offset by top-of-the-range technology such as underfloor heating, Dyson air purifiers and humidifiers and a Piega music entertainment system, that all combine to create a luxury ski penthouse where comfort is top of the agenda.

Outside, five balconies wrap around the penthouse, giving amazing 360-degree views of the mountains and Lake St Moritz. On your return from skiing in the afternoons, relax on the outdoor loungers with a drink and take in the mountain air and the afternoon sun. Alternatively, head down to the beautiful wellness area to unwind; indulge in relaxing spa treatments, take a few laps of the indoor/outdoor swimming pool or work up more sweat in the fitness studio.

As guests of the Carlton Hotel, you'll be able to enjoy some of the best restaurants in St Moritz. The hotel hosts two outstanding restaurants: the Romanoff, which offers modern takes on global menus, and Da Vittorio St Moritz, a two-Michelin-starred restaurant serving authentic Italian cuisine, designed by the world-renowned Cerea brothers.

There's also the Sun Terrace where you can enjoy a light lunch, and the much-loved Carlton Bar and Belle Etage, for a drink and a snack before or after dinner, or even an afternoon tea by the roaring fire.

As part of your stay you'll receive a culinary credit of CHF 100 per person / per day, which you can spend in any of the hotel's bars and restaurants or on room service. The Penthouse Suite has a cosy and quirky modern dining space with Knoll-style furniture under a statement chandelier and a beautiful view from the picture window. A small but perfectly formed kitchen is packed with all the top-of-the-range equipment you could need should you wish to whip up a bite to eat and your butler is on hand to top up drinks, fix snacks and take care of anything you need.
