

Marmotta Apartment 1 St Anton

What we love...

We love the ski-in/ski-out location, which puts you right on the slopes and just 10 minutes from St Anton's thriving resort centre.

Locations don't come much better than at this luxury ski-in/ski-out apartment, which sits directly on the slopes in St Anton. You can say goodbye to lengthy getting-around-resort transfers here. After tucking into a hearty breakfast – delivered to you each day – you'll be able to head straight out on the slopes, with access to over 300km of pistes on your doorstep. You're just a short walk from St Anton's centre, too.

Marmotta Apartment 1's design is a modern take on traditional alpine, with lots of wood featured throughout. Located on the ground floor of Chalet Golden Marmot, this apartment has easy access. You enter through the handy hallway into a light open-plan entertaining area with cosy lounging, dining and cooking zones. The compact kitchen is equipped with all mod cons so it's easy to whip up meals, and you'll find thoughtful extras such as a Nespresso machine and a SodaStream handy for spritzers and ice-cream sodas.

Each of the five bedrooms has its own en-suite bath or shower room for additional privacy. There are four restful double/twin rooms and a further bunk room sleeping four guests – ideal for kids or friends sharing. To keep you toasty, plush robes and slippers are provided. This luxury ski apartment in St Anton also comes with use of a sauna area (shared between three apartments) – it's a bio-sauna, so you'll find the perfect balance of heat and humidity. Other bonuses include access to table tennis to get the competitive juices flowing, a shared ski room and free underground parking for two cars.

Marmotta Apartment 1, 2 and 3 can be booked on an exclusive use basis with total accommodation for groups of up to 24 + 4 guests.
