

Marmotta Apartment 2 St Anton

What we love...

We love the ski-in/ski-out setting – as the apartment is a duplex on the chalet's upper floors, you also get great views of the slopes.

If your luxury ski holiday in St Anton is all about location, location, location, then Marmotta Apartment 2 absolutely fills the 'perfectly placed' requirement. This contemporary and cosy duplex apartment sits on the upper floors of an attractive new chalet, Chalet Golden Marmot and boasts a ski-in/ski-out setting just 10 minutes from the buzzy resort centre.

As well as an effortless ski setting, beautiful snowy views and great places to eat and drink just a short walk away, your stay includes daily breakfast delivered to your door and the tempting sweet treats of afternoon tea.

Inside this modern alpine apartment, the entertaining area sits up on the top floor for the best views and has additional character thanks to some exposed beams. The space is sociably open plan; a dining

area has room for all guests to take a seat at the table, a central lounge area offers a mix of snug sofas and butterfly chairs, and a kitchen is well equipped with mod cons including a Nespresso machine and a SodaStream.

Four inviting double bedrooms have their own en-suite bathroom (three with showers, one with a bath), and plush robes and comfy slippers come as standard. Guests of Marmotta Apartment 2 also have use of a bio-sauna and relaxation area (shared with the building's other two apartments) to help you unwind, plus table tennis, a shared ski room and two complimentary underground parking spaces.

Marmotta Apartment 1, 2 and 3 can be booked on an exclusive use basis with total accommodation for groups of up to 24 + 4 guests.

If you're planning to self-cater, you'll find everything you need in the apartment's fully equipped kitchen and there's space for all guests to eat around the dining table.

If you'd prefer to have a helping hand, a grocery shopping service, cooking boxes (with chef-prepared meals that you just pop in to heat up), or a private chef can all be arranged on request.

For dining out, the concierge will gladly help with restaurant recommendations and reservations, both in St Anton's resort centre and up the mountain.
