

Apartment Little Bear Meribel

What we love...

We love the hot tub out on the terrace – grab a bottle of fizz from the fridge and catch up on the day while soaking in warm bubbling waters.

Enjoy a snow adventure in complete comfort at this luxury ski apartment in Meribel, which gives you quick-and-easy access to the Three Valleys ski area. Everything is fresh and new at Apartment Little Bear, a sleek and unfussy alpine retreat where it's impossible not to relax.

This high-spec chalet-style apartment has a real contemporary charm. Wood is the statement material throughout, with grey accents that create a soft masculine, zen-like feel. The open-plan living space is the hub of the home. It's a wonderful spot to kick back and relax, with comfy sofas gathered around a contemporary oversized fireplace – the perfect place to warm your feet after a day on the slopes. It's just a few steps from the kitchen area and dining table, so self-catering can be a sociable affair.

In the mornings, the must-sit spot is on the terrace, which is reached from the living space. Fill your cup at the Nespresso machine and enjoy a caffeine fix while breathing in the fresh mountain air. There's also a lovely hot tub out here for post-ski soaks with a glass of bubbles in hand – bring the fluffy robe provided in your bedroom for when you hop out.

You'll find four calming wood-clad bedrooms where you can fall into a deep sleep at the end of each day. One of the rooms is a charming bunk room, ideal for children to share. Added relaxation is offered in the form of a small but very welcome sauna for much-needed muscle soothing on your luxury ski holiday.
