

Apartment Portillo Meribel

What we love...

We love the sunny terrace, where there's plenty of space to sit out, breathe in the fresh air and gaze over the snowy mountains.

Apartment Portillo is a cosy and contemporary luxury ski apartment that makes you feel at home from the moment you arrive. At this new-for-the-2022/23-season mountain bolthole, you have a prime location with quick-and-easy access to Meribel and the rest of the Three Valleys ski area.

With earthy tones and every detail accentuated by wood, it gives this chalet-style apartment a real sense of place. Apartment Portillo has an open-style kitchen, kitted out with premium amenities including SMEG appliances and a Nespresso machine for that all-important morning caffeine fix. The sunny terrace is the perfect place to sit out and drink in the snowy views before or after your days on the mountain.

A spacious dining table gives everyone a seat if you plan to stay in and cook up some delicious dinners together. Just beyond, the living area comes complete with a sink-into L-shaped sofa and a modern feature fireplace. You'll spend many an evening losing track of time as you crack open a few bottles and chat away curled up by the fire.

With three double bedrooms and a double bunk room, the size is perfect for an extended family or a group of friends to enjoy a luxury ski holiday. The small sauna is a much-welcome bonus space where you can ease weary limbs.
