

## Can Gabriela Majorca

### What we love...

We love the full-size outdoor tennis court with its court-side lounging area, so whether you're playing or watching you can act like you're at Queen's Club - with better weather.

Get ready for a few surprises at this luxury villa in Majorca. Behind Can Gabriela's enchanting exterior, you'll find an impressive style and top-notch facilities.

There's plenty of outdoor space for sun and shade. Take a seat on the wraparound terrace to wait for lunches grilled to perfection on the Big Green Egg, or head to the roomy upper terrace for beautiful views out over the green countryside to the Tramuntana Mountains in the distance. The swimming pool, surrounded by a smart wooden deck, will no doubt be a highlight of your stay.

Get the competitive juices flowing with a game of pool or a few sets of tennis on the full-size outdoor tennis court. If watching courtside with Pimm's and strawberries is more your style than hitting a few volleys,

curl up in the hanging chair under a thatched parasol and applaud good shots between sips of something cold.

When it comes to the villa's interior, the stylish décor is Majorcan architecture-meets-Dutch design. The bulthaup kitchen oozes quality and there's room for everyone to take a seat at the dining table for sociable mealtimes. Hand-carved tables and chairs, bespoke art sculptures and a mix of patterns bring a high-end homely touch. Four restful en-suite bedrooms are arranged on the first floor, with the master suite occupying a large slice of the ground floor.

If you're seeking some winter sun, Can Gabriela's heated swimming pool and underfloor heating make it an ideal option for an off-season stay.

Moscari has a handful of small cafés and bars.

For a helping hand, you also have the option to add on the villa's premium package at an additional cost, which includes daily breakfast, three lunches or dinners and a shopping service.

## Kids

Almost every child will be drawn to the villa's private swimming pool, while budding Murrays and Raducanus will be in their element on the outdoor tennis court. Take a seat courtside and shout some encouraging words as they get into their swing.

In the peak heat of the day, a pool table and big-screen TV provide hours of indoor entertainment.
